FESTIVAL HIT BY WEATHER

Bad weather cooled Altona's reception to the Arts Festival which finished last Friday.

Attendance estimates indicate that many more than half the 3000 who attended the festival were children.

Cr. Pat Burns, who holds the council's cultural portfolio, said: "We've had rather a wet fortnight."

The festival finished on a high note, with one of the best attendances on the final night, at the Altona Working Men's Club talent quest.

SATISFIED

Mrs. N. Colville who co-ordinated the festival said she was quite satisfied with attendances.

She added: "It was what we expected."

"But I think I would plan the next festival differently."

"It seems you have to take the festival to the people."

Cr. Burns said: "The festival was unfortunate on the first night, when the weather broke and spoiled the pop festival for the young people."

"The band concert, too, was poorly attended."

"I think the festival was too long, eight days would have been enough."

Council rates officer, Mr. Tom Ferris, who co-ordinated the festival from the council end said: "I think an alternative to the festival has to be found."

"It must be taken to the workers."

BROKE EVEN

Including the Australian Council for the Arts \$2000 grant and the men and equipment lent by the Altona Council, the festival

is believed to have broken even financially.

Mr. Ferris said: "But I don't think the idea of a festival is to make money."

Kinders overcrowded

Altona City Council figures revealed that 95 children are on the waiting list for enrolments in kindergartens this year.

In addition there are 25 children enrolled at the Brooklyn Pre-School Centre in Sunshine.

Kindergarten directress at the Brooklyn Kindergarten said that it cost the Altona Council \$10 per child per term — \$750 per year.

Of the 95 children, 84 are from the Altona North area, where kindergartens have reported some difficulty in communicating with migrant children.

Deputy Town Clerk, Mr. Syd Fell, said that council had considered building an extra one or two kindergartens in the Altona North area.

This was discussed in February and has been referred to council's finance committee.

The finance committee will review the case when considering the financial estimates in the new financial year.

Mr. Fell said: "Council as a rule plans two or three years ahead, but it seems the population explosion in Altona North has caught us on the wrong foot."

site had already been considered, the Methodist Church buildings and land in Sixth Avenue, Altona North.

The general purposes report of the council mentioned that the church wanted \$30,000 for the site.

The purchase of the land has also been referred to the finance committee meeting.

The site contains a hall, kitchen and church.

He said: "Obviously we can't pull down a kindergarten and move it to where it is needed."

Mr. Fell estimated the cost of a new kindergarten at \$30,000.

The maximum grant by the Department of Health is \$6000.

The balance must be found by council.

Mr. Fell said the money was usually raised by borrowing or levying a higher rate.

Altona is unusual in this respect. It is one of the few, perhaps the only municipality that offers free kindergarten education.

After the construction of the building the council is responsible for the general running and maintenance of the kindergarten.

This includes the salaries of all of the assistants and cleaners.

Mr. Fell said that one

Young Scout, Wayne Clement, 11, of Windsor Cres., Seaholme helping to put up a tent at the Air Display at Grant Reserve. The display was just one of the many activities of the Altona Arts Festival. Wayne is a member of the 3rd Altona Scout Group. The group gave demonstrations of different aspects of scouting at the display including flying foxes, tent and fire building.

ON HIS TOES

Altona's "with-it" junior council kept Cr. Pat Lynch on his toes at their last meeting.

Questions covered subjects from pollution to pedestrian traffic control.

The junior councillor from Altona North Technical School asked if the white lines across the road, near the intersection of the Esplanade and Pier Street, could be removed because people were still using them as a crossing.

Cr. Lynch replied that the crossing had been moved down the road towards the Life Saving Club because the old crossing was considered dangerous.

He added the lines were still there to stop people zig-zagging across the road.

The junior councillor from the Brooklyn West

Primary School asked if more mobile bins could be placed along the Altona beachfront.

Cr. Lynch replied that summer was nearly over, but council would keep the suggestion in mind for next year.

The councillor from Altona West Primary asked if the council could divert drains flowing into the sea at Altona.

The City Engineer replied that council was waiting for permission from the Board of Works to extend the drains and that one day Altona would be severed and pollution of the bay would be non-existent.

Guests at the meeting were Messrs C. Orist of Altona High School, Mr. C. Gannon and Mr. Spinello, administrative officers for the Fitzroy Junior Council.

PETROCHEM TALKS

Cr. L. Crofts reported at the last council meeting that notices have been served on Altona Petrochemical Co. Ltd. on pollution.

The management of APC sent a reply requesting discussion with council.

Cr. Crofts moved that council agree to meet the management of Altona Petrochemical Company

Ltd. without prejudice at a date to be set.

Cr. Burns seconded the motion.

STAR GAZE

Altona North has its own Hell's Angel, who lives somewhere near the Tech. School. He'll end up with more than a thrill if he continues his wheels stands to impress the schoolchildren. Trouble is he's already had an effect on some of the youngsters. Two of them on Dragstar cycles tried the other day to "drag" their way across busy Millers Road.

Any truth in the rumor our mayor isn't photogenic with his glasses? Posing for a picture with last week's garden competition winners the photographer was left standing in front of a packed gallery waiting for the mayor to pose correctly.

And speaking of council, who was the councillor whose picture was missing from the city's hall of fame? Apparently a rush job had to be done to hang it in time for the Arts Festival.

An Altona woman phoned Victoria Police Motor Traffic Branch the other day to check regulations about fitting seat belts to secondhand cars. She was told that the regulations were bottom on their list... after pay rises.

Our award this week goes to the 11-year-old girl from St. Mary's Primary School who suggested rather bluntly that trains servicing the city should be sent to the railway museum at Newport. If the youngsters have woken up to it, when will the adults?

Baptist stall

The Baptist Ladies' Guild will hold a street stall in Pier Street, Altona, tomorrow.

HE MAKES LIFE SWEETER

By MARIANN BYRON

Noonan's Bakery in Pier Street is a cosy, old fashioned place, where most customers are greeted by name.

Mr. Bill Noonan, who started working at the bakery in 1930 still bakes apple tarts which were popular in those days.

He said: "I'm the only one who sells them now. They're baked in the same tins that were used in 1930 because you can't buy shapes for them any more."

Forty different kinds of cakes are made at the bakery as well as bread, pies and pasties.

Mr. Noonan loves block cakes best of all. He said: "I'm still not tired of them after all these years."

The customers trust him and they can be remarkably uncritical.

Mr. Noonan said: "Once we accidentally made white bread out of wholemeal. It was far from white, but strangely enough nobody complained."

Another time he forgot to add salt to the bread dough.

He said: "I went back to each customer who

bought unsalted bread and exchanged it to a freshly baked salted loaf."

"You wouldn't get that kind of service these days."

"We have two pastry-cooks, an apprentice and two girls working here."

"You find that people take more pride in their work if they see it through from start to finish."

"Everything is given a personal touch."

AROMA

The cakes certainly look home-made in their glass cabinets and the pies and pasties have a different aroma from those that are mass produced.

The shop has always been busy.

He said: "When I got married, I was called back to work half way through my honeymoon."

His wife was a nurse at

Altona hospital and they met when he was selling bread there.

Did her court her by bringing her some cakes?

Mr. Noonan said: "It wouldn't have worked. She doesn't like them."

TWINS

One of Mr. Noonan's sons, John takes charge of the bakery and the other son Morris has a twin sister, Maureen.

Mr. Noonan has five grandchildren.

He wouldn't recommend his trade to a young boy choosing his first job.

He said: "He'd be better off if he'd study to become a chef. A chef learns five trades in one including pastry making and baking. After training he can name his own salary."

Doesn't this diet-conscious age effect his business adversely?

He said: "Not really."

People see my nice appealing cakes and they forget about the diet. They think it's time enough to go on a diet tomorrow."

BON VOYAGE

Customers give strange requests sometimes. The latest order is for a cake in the shape of New Zealand.

He said: "It's a nice bon voyage cake, but there is such a lot of waste. You have to cut lots of bits out of a square shaped cake."

The bakery supplies almost all the surrounding schools with pies and pasties.

Mr. Noonan said: "We train 'em young. You know, you get to like a flavor and it grows on you."

"People could buy a pie somewhere else, but they know mine are ready at 11.30 and they wait for it."

"There is something people like about pies and pasties that come freshly out of the oven."

"In the old days I used to make a cake called fruit slice."

"I put a sheet of paste on a tray and spread a mixture of cakes from the whole shop that was broken up and soaked in water."

GLAZED

"It was really delicious, you could taste all the different flavors."

"It used to have a brown glazed top."

"One woman came in regularly for many years to get some every day. She later had to move to Sydney, where she became very ill."

"She sent someone over to Melbourne to bring some for her."

"They told me her last wish on her death bed was to have a bite of my fruit slice."

"That kind of appreciation makes your work worth while."

Resident honored

Mr. Arthur Dyer, of Romawi Street, Altona, has been elected District Chief Ruler of Victoria by the Independent Order of Rechabites.

The election of Mr. Dyer to District Chief Ruler is the highest position obtainable in the Independent Order of Rechabites in Victoria.

He climaxed a lifetime of membership in the movement which started when he became a foundation member of the Kaniva Juniors in 1936.

The Independent Order of Rechabites was established in 1835

and is a friendly society whose aim is to provide medical, hospital, funeral, sick endowment and dental benefits.

It is non-denominational with a strong emphasis on temperance.

● PICTURE ABOVE: Mr. Arthur Dyer the newly elected District Chief Ruler of Victoria in the Independent Order of Rechabites.

North Altona gets police

A special police squad has been formed in the Altona North area following council's request for increased police surveillance.

The Acting Deputy Commissioner, Mr. A. L. Carmichael, has told council that the only permanent solution will be the establishment of a large 24-hour station at Altona North, a project already under consideration by the Government.

Humes quarry shopping project talks agreed

Council has agreed to meet Altona Chamber of Commerce representatives to hear its point of view before making a decision about the establishment of the regional shopping centre in Millers Road.

The Altona Chamber of Commerce is the only body in Altona which represents traders who are paying a special rate for the improvement of the Pier Street shopping centre.

FREEWAY NEAR COMPLETION

The new Murray Lower Crossing Freeway is coming along nicely, there have been a few prangs already, Cr. Bill Sommers said at the last council meeting.

He added: "The lighting is excellent and there are no bottle necks in the traffic."

"It will be better when the bridge section is completed in the near future."

RATE COLLECTION HIGH

GARDENS

Each couple who lives in Fisher Court received a merit certificate for making it the street with the best kept gardens.

As the Mayor, Cr. Grant presented each couple on Tuesday night, he sometimes hesitated before handing the certificate to the husband.

"This one must be yours," he said to one woman, "I often saw you working in your garden."

Cr. L. Crofts reported to the last council meeting that a high percentage rate collection had been received by comparison with the previous year and ratepayers were to be congratulated.

He said the balance of funds not required for expenditure purposes was being invested in short-term deposit bearing 5½ per cent. interest.

Current investment was \$865.

This money will be

matured as required to meet council expenditure over the balance of the financial year.

PROBE ON BREAKING

Williamstown C.I.B. are investigating a breaking at a clothing shop in Queen Street, Altona, recently.

The owners, Peter and Pat Morton, told police that clothing valued at \$274 had been stolen.

Police say the offenders were rather daring, breaking the glass door at the front and carrying away bundles of women's clothing.

Among the missing items are hot pants, coats, belts, jumpers, cardigans and a small amount of cash.

Altona police and the Williamstown C.I.B. are also investigating the attempted breakings into the Mayflower Cafe, in Pier Street, Altona.

Altona police say that the thieves twice tried to gain entry through rear windows, when it is believed they were disturbed.

HELLO GIRLS. — Oh, my hair, what can I do with my hair? Hide it under our new wig styles until you have worked something out.

Beautiful new styles. Piccadilly with long, long swinging back and short heading hugging top and sides. Debutante — straight back, long and bouncing with waves and curls, it is so light, but oh so thick! Play-girl, straight back if you wish, long and an adaptable "pony tail" piece to style with. Different First Lady, straight back, deep waves and can be obtained with gradings in grey if desired. Let it blow, let it rain — you can always look your best with our wigs. The rain won't frizzy, won't unset them.

Coty Originals have formulated a corrective Under Make-up Moisturizer Girls. No need to look pale and tired keep color on your face. New and creamy, it glides on, moisturised to condition your skin and color.

★ Misty Jade — will tone down a florid, flushed or too rosy complexion — cover broken capillaries — cool the rosy look of a touch of sunburn.

★ Lavender — adds a touch of color natural warmth — to a pale or sallow skin.

★ Apricot lifts and adds radiance to a pallid skin — adds life to a faded suntan.

These are your Under Makeup Moisturizers — to be used after cleansing and toning before you apply your foundation or in the case of a natural look just apply translucent powder over your Misty Jade, Lavender or Apricot — by Coty.

Mother's Day is on Sunday 9th May. I'll give you some suggestions. How about — an evening purse, cosmetic bag, cosmetic cape, roller bag, bedroom clock, brush and comb set, a brooch or pendant, a glownesh purse attractive candles or perfumed candle, a watch, wig or accessories, or fluffy slippers? Very comfortable Homy Ped in colorful styles or the new heeled Luxus Homy Ped. In cosmetics a dual purpose Under Makeup and Hand Body Lotion by Coty. Large size specials of Hand and Body Lotion in Aquamarine or Intimate by Revlon. Night Creams, Moisturisers, eye makeup single or pallet — with remover. Blush On for her cheeks. "OVER-GOVERNED," SAYS COUNCILLOR

We could well do without State Government, Cr. Les Crofts said at the council meeting last week.

He added: "We are the most overgoverned people in the world."

Cr. Crofts said that the new environmental protection legislation passed by the State Government provided penalties which meant nothing unless more authority was given to enforce them.

He expressed concern at the possibility of a continuing offence while the appeal was coming before the courts for hearing.

The legislation provided for a maximum penalty of \$5000 with a daily penalty of \$2000 for a continuing offence.

Cr. Crofts said he believed a review of responsibilities of Federal and State government would mean a saving of money which could be used to establish a Pollution Authority with the best equipment in the world.

Cr. Crofts moved that the council commend the Government on the action

taken as outlined in the new Environmental Protection Act and that council stress the need for the Government to provide adequate scientific equipment and qualified personnel to ensure that the Act can be made to work.

Cr. Lynch seconded the motion, which was carried.

PETITION OVER FIRE HAZARD

A petition signed by 190 Altona residents was received by council requesting assistance by improving fire prevention in the area near the PRA Oil Refinery, Millers Road, North Altona.

The petition listed the following incidents, which occurred over the past three months: ● An oil tank exploded and, houses and freshly washed clothes were covered in oil.

● Part of refinery caught on fire requiring Metropolitan Fire Brigade to attend about 1.30 a.m. ● A report was published in the daily papers in which a member of the Metropolitan Fire Brigade said he felt fire precautions and systems were inadequate at the refinery.

● A resident of Altona had to report that one of the bitumen tanks was on fire because the refinery was not aware of this fire until it was reported.

● Three heavy explosions occurred on April 13. The petition said that on the occasion of the fire many occupants were ready to evacuate their homes. The petition was presented by Cr. W. L. J. Crofts. Cr. Crofts moved that the petitioners be invited to meet Council at a time to be arranged. The motion was carried.

Paisley depot to be cleared

The Paisley SEC briquette depot will be closed in October, 1971, the State Secretary of the SEC told Altona Council.

The letter said that within the next two months, no more supplies would be made to the depot and existing stocks would be used at the Newport Power Station until all fuel is cleared from the Paisley Depot.

As another measure to improve the area, grass has been sown over the depot area which is not used for operational purposes and water sprinklers continue to be used on the ungrassed area.

Cr. Croft moved that a letter of appreciation be sent to the SEC expressing council's satisfaction over the action taken. The motion was carried.

PRA ACTS ON POLLUTION

Petroleum Refineries (Australia) Pty. Ltd. is taking steps to ensure that water pollution is minimised.

In a circular, which will be sent to each councillor, the refinery advises that an air flotation unit had been installed to purify the water which is discharged into Kororoit Creek.

As a result of activities by PRA Management there has been a noticeable improvement in the quality of water discharged to Kororoit Creek.

SCOUT VISIT

Cr. P. J. Lynch, represented the Mayor Cr. Grant, last Sunday when he welcomed a group of Leongatha scouts to the municipality. The scouts were the guests of the Third Altona Troop.

Grazing right is rejected

The Altona City Council rejected an application for grazing rights on the W. L. J. Crofts Reserve last week.

Speaking of the application made by Mr. E. Camilleri, of Blackshaws Road, Cr. Pat Lynch said "Next people will be asking to graze on Grant Reserve."

Cr. Lynch suggested that the council's ranger should check the animals already grazing on the reserve and determine their owners.

The motion was seconded by Cr. W. H. Sommers.

The Mayor of Altona, Cr. Doug Grant is the son of Mr. and Mrs. William Grant who were among the earliest settlers.

Mr. W. Grant, who was the officer-in-charge of the Explosives Reserve, came to Altona in 1912.

He was a big man, weighing about 18 stone with a commanding presence.

He is best remembered by his light-hearted personality and kind deeds.

Many struggling unemployed people

were helped by him during the 1930's.

His father, Mr. Donald Grant came to Laverton from Scotland in 1904.

He was the first manager at the Explosives Reserves. When he started working there were only nine men employed at the reserve.

By the time Mr. William Grant was in charge, there were 40.

A maximum of 1000 tons of explosives were stored at the magazine.

Mr. William Grant rode a jinker down Pier Street then along the beach to the explosives reserve as Queen Street did not go down to the reserve at the time.

The beach was covered with shells.

There was a big sand

The pioneers

Mayor's father was early settler

when the district was part of the shire of Werribee.

The J. K. Grant Reserve in Civic Parade is named after him.

Cr. Les Crofts, who has known Mr. William Grant for over ten years greatly admired him.

He said: "Mr. Grant was a leader of men, with high integrity and principles."

"His ability to understand and communicate with everyone and his responsible attitude towards the community set him apart from other men."

LIFESAVERS TO GO TO COUNCIL

The Altona Life Saving Club has been invited to attend a meeting of the Altona City Council as an expression of thanks for the club work over the past summer season.

Moved by Cr. Pat Burns, he said it was most impressive work the club had done. He was particularly interested to see the large number of Altona youngsters who were members of the club.

He also noted that Rotoract youngsters had built a new watch tower on the beach.

The club reported having treated 101 cases on the beach this year.

Most were jellyfish stings. Only eight had hospital treatment.

FOR MERIT

Several certificates of merit were presented at last week's council meeting in Altona.

Among the presentations were those to Gianina Sardi, and Peter Rogash.

Gianina, a student at Altona North High School, where she has distinguished herself in discus throwing.

Peter Rogash received his certificate, as a result of his becoming a Queen's Scout.

CITY OF ALTONA

LOAN NO. 86

Notice of Intention to Borrow the Sum of \$50,000 for Permanent Works and Undertakings.

Notice is hereby given that the Council of the City of Altona proposes to borrow the principal sum of Fifty thousand dollars (\$50,000) secured by a charge over the general rates of the municipality, such sum to be raised by the grant of a mortgage in accordance with the provisions of the Local Government Act 1958.

1. The maximum rate of interest to be paid is 7.4 per centum per annum.

2. The purposes for which the loan is to be applied, are:—

Council proportion of C.R.B. Works (part cost) 15,000

Construction of Altona Road (part cost) 2,000

Construction of Paw Paw Road, Joint Works with the City of Sunshine 12,000

Development of J. K. Grant Reserve 8,000

Development in Gden Dulk Reserve 2,000

Public Toilets, Borraek Square 7,500

Crib Crossing at Bayview Estate 3,500

\$50,000

3. The period of the loan shall be fifteen years.

4. The money borrowed shall be repayable by providing out of the municipal fund 30 half-yearly instalments of approximately \$2,787.12 each, including principal and interest on the 15th day of June and the 15th day of December in each year during the currency of the loan.

The first instalment shall be payable on the 15th day of December, 1971.

5. Such monies shall be repayable to the office of the Local Authorities Superannuation Board, at Rigby House, 15 Queens Road, Melbourne, or at such other place or places which the Board may from time to time require.

The plans, specifications and estimate of the cost of the proposed works and a statement showing the proposed expenditure of the monies to be borrowed are open for inspection at the Civic Offices, 115 Civic Parade, Altona.

STAFF CHANGE

Mrs. Carol Grigg, the senior machinist with the Altona Council resigned recently. She has been with the council for nine years. An Altona girl, she has been replaced by Jill Thomson, of Williamstown.

Elderly citizens social club

A monthly concert and birthday party awaited the 15 members of the Altona Elderly Citizens' Social Club when they returned from their holiday at Lorne Chalet on April 28.

Mrs. Margaret Carlsson, the wife of Cr. Charles Carlsson entertained the club with her delightful organ playing.

Mrs. Marie Stringer sang well and Mrs. I. Hope accompanied capably.

The club would like to thank the fine performance of Mrs. R. Drysdale, Mrs. E. Edwards, Mrs. P. O'Neill, Mrs. Hill and Mrs. V. Butler.

Mrs. M. Lowman iced the birthday cake and the eldest birthday lady, Mrs. Woodyard, who is 88 years old, cut the cake.

Mr. J. Sutton, the former president of the club is welcomed back after his long stay in hospital.

Mr. A. Hansen is improving steadily and Mr. Small has been discharged from hospital.

Thursday afternoon was well attended. Special effort winners were: Mrs. Lee and Mrs. N. Barber.

The first monthly cards and bowls evening will be on Friday, May 7, at 7.30 p.m. Supper will be served. Members and friends are welcome.

Next dance will be on Saturday evening, May 15.

There will be good prizes, special effort and supper. Admittance, 30 cents.

Rotary house

Three members of the Port Moresby Rotary, who subscribed to a fund raising effort by Altona Rotary, won first prize — a house in Port Moresby.

This was announced yesterday by Altona Rotary president, Mr. H. C. Beecham, who added that the club would donate more than \$1,000 to charity this month.

The main beneficiary is Altona Hospital which will receive \$1,000. Lifeline will receive \$100.

Of this \$800 was raised by the special fund raising effort.

MAYORAL BALL

The Mayor, Cr. Grant announced that the Mayoral Ball this year will be held on June 18.

He said it will not take the form of a debutante ball, more details will be made public closer to the event.

General knowledge competition

Preliminary heats of the Victorian General Knowledge Competition for Schools were conducted by the Altona branch of the A.N.A. on April 29.

Competitors from Mt. St. Joseph's Girls' College, Altona North High School, St. Paul's College and St. Paul's College were asked six general knowledge questions by the adjudicator, Mr. George E. Morris, the well-known TV and radio quiz king.

Results were: Mt. St. Joseph's — Anne Kathouwers, 1; Lydia Terovich, 2.

North Altona High School — George Prifunovich, 1; Deborah Kydd, 2.

St. Paul's College — David Lowery, 1; John Regal, 2.

Winners were presented with book orders by Cr. Les Crofts of the Altona Branch A.N.A., who complimented the students on their good standard of knowledge.

The three winners will represent their schools at the zone finals to be held at Footscray on Monday, June 7.

The grand final will be held at the Athenaeum Art Gallery on Friday, June 18, when valuable prizes will be awarded to the winner, place getters and schools.

The competition was held at Mt. St. Joseph College.

Supper was provided at the conclusion of the competition, when the students, teachers and parents had the opportunity to speak to the adjudicator, Mr. George Morris.

Old boys' reunion

There will be a two-day reunion of the Old Boys' of the Assumption College, Kilmore, on May 15 and 16.

The reunion will have special significance on two points; former College Director Brother Kenneth has returned to the college in the same capacity after an absence of 19 years and the college is approaching its 80th year.

Celebrations will include a smoke social and barbecue. Old boys wishing to attend should make bookings with Bob Ryan, 35 Millers Road, Altona, or telephone 398 1552.

STREET STALLS

Council gave permission last week for two organisations, St. Leo's the Great Primary School Mothers' Club and the Altona High Mothers' Club to hold street stalls.

The St. Leo's Mothers will hold theirs in Borraek Square on May 28, the High School Mothers on June 5 and October 9.

CAR DUMPED

Evidently the thief didn't find Allan Wilkinson's car to his liking when he stole it last week.

After being stolen from the driveway of Allan's Esplanade Street home, it was dumped, just around the corner.

Like they say, crime doesn't pay.

NAVY LOSS

In an exciting game of football at the Williamstown Football Ground last week the Williamstown High School first-18 proved far too strong for a team from HMAS ANZAC.

In the first half the sides appeared to be evenly matched but as the game progressed the High School were much too fast for the Navy.

They won 16.7 - 103 to 6.9 - 45.

In a soccer game the High School easily defeated the Navy 10-1.

The matches were umpired by staff members Mr. T. Fogarty and Mr. M. Pearson and were arranged by Phys. Ed. teacher Mr. D. J. Nilsson and L/S P.T.I. Sutton from HMAS Anzac.

Regular matches against visiting ships have been a feature of the High School sporting programme over the last five years.

In term II the High School hopes to play against the sailors from HMAS Swan.

Unique display at gallery

Temple rubbings from Thailand are on display at the Nelson Gallery in Nelson Place.

Although not unknown to tourists visiting Bangkok, these bright and delicately made souvenirs have always been a talking point for returning visitors.

Unfortunately these charming decorations have never been available in Melbourne's stores and galleries.

The director of the Nelson Gallery, Mr. Bob Cunningham, has acquired this collection from a personal friend who is a social worker in the Buddhist temples in Bangkok.

Miss Potranandana, whose father was the personal secretary to the former King of Thailand, has resigned from her position with the Ministry of Education, and now devotes all her time to the needy people of Bangkok.

Miss Potranandana says that previously hundreds of people had been going to the temples to make rubbings from the stone relief carvings and selling them in stores or at stalls nearby.

This practice has been going on for many years now, and at the moment strong moves are being made to stop this as the stones are becoming so badly worn that the authorities fear they will be ruined.

Because of this and because only authorised people may now be making rubbings, they are becoming increasingly difficult to obtain, and more expensive.

Visitors to the gallery will be able to choose from quite a large range at very low prices.

LEVY THE ANSWER?

A levy on minerals exported was one solution suggested by the Area Group of the Combined Pensioners Association to the problem of shortage of hospital beds.

The area group meeting, on April 28, decided the Federal Government should reimburse the State Government for health services, so that hospital wards closed through lack of finance could be opened again.

Coffee and billiards?

Williamstown council has received an application from a Newport man, Mr. S. Mancuso, for permission to run an espresso bar, cafe and billiard room at 435 Melbourne Road.

Council decided at their meeting on April 19, that the Chief Health Inspector, Mr. N. Hawthorn, should report on the matter to council's Planning Committee.

N'port form improves

Newport showed improved form in the match against Collingwood last Saturday.

It was a close game all the way and Newport was regarded as a "bit stiff" in losing 6-7. However, if the team continues to improve, the first win of the season is near at hand.

Newport's pitching staff, weakened by clearances to an A grade club, should add more fire to the side when John Armstrong returns shortly after his holiday.

The B team, although well beaten, showed glimpses of form against Collingwood. This side is badly needing a pitcher who can go nine innings.

Battling is only spasmodic and better team batting last Saturday would have resulted in more runs being scored.

Safe hits: N. Higham 2, D. Ockwell 2, M. Lynch 1, W. Middlemass 1, A. Solomano 1.

The C team broke through for the club's first win when it defeated Collingwood 16-5.

A big improvement in fielding and batting, led by Robin Rowe with three hits including a home run, was shown by the entire team.

Safe hits: R. Rowe 3 (including home run), G. Murdoch 2, D. Jones 2, T. C. Collins 1, P. Snowley 1, M. Shields 1.

New citizens

HOCKEY

Narrow defeat by 'A' side

by Lincoln Green

A good win always seems just inches away for the Altona Hockey Club A grade team.

This week against Old Scotch, the team were defeated 4-2, again because of insufficient foulmowing in the second half.

It took Altona a while to come back after a goal from Lenzy in the first five minutes of play, but they came back with a goal from Walter Walsby.

Lenzy's goal lifted the side and Altona forced Scotch into a number of penalty corners.

Altona maintained pressure on Scotch for the rest of the half when a pass from Richard Luckstock to Allan Battle found Jeremy Hunter in position to score, putting Altona ahead.

Max Blackiston gave the team quite a pep talk in the interval and Altona went back onto the field keen to get on with the game.

But not keen enough, they ran out of steam, allowing Scotch to score their second and third goals.

Nest Saturday should be an interesting game against Moorabbin at home.

Altona must win, to avenge their defeat in the three previous games.

Longer and harder training, and a reconstituted backline is needed to give Altona a chance to play in the final.

Is last year's team to be spectators this year?

That's something only Altona know.

Best players were Hunter, Verity and Bartlett.

Goals came from Hunter and Lenzy.

C GRADE

C Grade defeated a strong, determined Footscray side 1-0 at Footscray, to hold top position.

It was evident as the game proceeded that one goal could win, as play was very even and at times a very good standard game.

Although it was a great win, Altona's failure to get the ball moving on to their wings and several key players failing to dispose of the ball stopped many forward moves.

At times spite crept into the game with the Footscray goalie having a rest behind the net.

When Altona combined they really looked great and only their failure in front of goals let them down.

Goal Ian Bennett.

Best, H. Donner, A. Willett, R. Smith.

D grade were defeated 2-0.

E grade.

Playing Ivanhoe at Altona, the A's with two new faces in their line-up, Steve Currow, playing his first game for the season and Freddy Roadley, making a comeback after seven years absence from the game.

Altona were quick to score when "Macca" McCauley crashed home a good goal five minutes into the first half.

Altona were far too strong and continued with this pattern of play throughout the game.

The A's adjourned for their "half time session" two goals up.

They scored another three goals in the second half and came out easy winners.

It was good to see Fred Roadley score, with a little 219.

more net practice he could have picked up two or three.

It was also noticeable that Frank Ranger has found himself a new position on the hockey field.

After watching this game, E grade seem certain to be up there once again when finals time comes around.

UNDER-16.

Altona ended their run of outs when they held Essendon to a 1 all draw.

Showing more determination than before Altona were 1 goal up early in the second half.

This goal was the result from aggressive play by Stephen Martin who attacked the goal keeper from a penalty corner forcing him to infringe.

The penalty flick awarded was very capably converted by John Mallet.

Essendon fought back late in the second half to force a draw.

UNDER-14.

Altona got away to a bad start against classy opposition.

It seemed that they didn't want the ball.

By half time they were 2-0 down.

In the second half they were a different team altogether.

They backed one another up and called to each other. This paid dividends with a goal scored from a penalty corner and a good field goal scored by Maurice Burgess.

The game finished at 2-2.

Best: P. Symons, A. Reif, S. Smith.

Goals: M. Burgess, S. Smith.

Next week's games:

A grade v Moorabbin, 3.15 home; B grade v Strathmore, 1.30 home; D grade v Brunswick, 1.30 home; E grade v Reservoir, 1.30 away.

UNDER-12.

Altona City Open Age Football team gave the Kingsville team quite a hiding in last weekend's match, 22-19 to 3-3.

Kingsville were right out of the game after the first few minutes of play.

The game opened up to a fast pace.

Handball and position kicking resulted in the City's first goal.

Kingsville answered, evening the scores.

But City led at the end of time.

In the second half City really looked like a team, putting ten quick goals on the board.

Kingsville replied with two points.

Up until the last quarter Altona City peppered the goals, missing the majors, but still managing to keep Kingsville down.

The Kingsville team were a bit unlucky to find the City in such good form.

Best players for Altona were D. Boyle, Mal Tisdale, I. Harrington, A. Molloy, B. Devereaux, K. Derr, J. Reilly, R. Lawson, R. Zapart.

Goal Kickers: Derr 7, Devereaux 7, Molloy 2, Lawson, Ruby, Tisdale, Schwabe, Harrington one each.

Altona "Flickie Finger" award goes to Richard, who "thinks" he can move mountains.

The special effort was ticket 219.

Centrals good win

Centrals, with greater teamwork and aerial superiority, defeated Werribee on Saturday.

Centrals, kicking against the breeze in the first quarter soon notched a major through Ted Jenson.

Danny Grey, roving well, put another goal on the board.

Mick Kiam, at full back showed good judgment in the windy conditions and took several marks which kept Werribee out.

Centrals led at quarter time 3-6 to 3-3.

The second quarter saw Centrals backline keep Werribee scoreless as Centrals forwards peppered the goals.

Mick Hazell in the centre was giving plenty of drive as Bill Kennedy on a half back flank.

Half players scores, Centrals 7-12 to Werribee 3-3.

Centrals appeared to lose concentration in this quarter and Werribee playing a long kicking game found Centrals out of position.

Centrals were battling to open up the game and produce the teamwork of the first half.

Three quarter time scores were Centrals 9-13 to Werribee 8-7.

Werribee immediately went into attack in the last quarter but Centrals' backline rallied and kept them out.
